ROUTLEDGE KEY GUIDES  
the keys to success

## Fifty Key Contemporary Thinkers

Praise for the first edition

'If you don't know your Deleuze from your Derrida, or your Bataille from your Bourdieu, or your Lacan from your Lyotard – or indeed if you're still catching up on Benjamin, Mauss, Adorno, and Saussure – then this is the book for you' *Richard Gott, The Guardian*

Praise for the new edition

'RAE mania has produced bucket loads of post-boilers, most of which aren't any good. This book ought to be a marker leader.' *R. W. Dyson, University of Durham*

Now in its second edition our best selling *Key Guide* surveys the most influential thinkers of the twentieth and twenty-first centuries with new entries including:

- Agamben
- Bergson
- Butler
- Haraway
- Heidegger
- Husserl

With a new introduction by the author as well as two new sections on Phenomenology and the Post-Human, full cross referencing and up-to-date guides to major primary and secondary texts, this is an essential read for anyone interested in the thinking that drives today's world. Students and general readers alike will be pleased to find such an accessible guide to some of the most hard-to-grasp ideas around.

**John Lechte** is Professor in Sociology and teaches social theory at Macquarie University, Australia. He has taught and published widely on many aspects of modern thought and culture.
